

Luso-Brazilian Language and Literature

Bachelor of Arts (BA)

The sequence of undergraduate programs offered by the Department of Spanish and Portuguese is designed to lead from the acquisition of competence in written and spoken Spanish or Portuguese, through an acquaintance with the structure and history of one or both of these languages and a critical understanding of the development and achievements of their literatures in the Old World and in the New, to training in advanced study and independent research. The Department's policy is to maintain a balanced strength between language and literature and between Peninsular and Latin American facets of a unified field.

This major is for students interested in a major in the Portuguese language and literature and generally does not include Spanish as part of the major.

Declaring the Major

Students can receive pre-major advising at any time from the staff Undergraduate Adviser. Students should declare the major when they have completed SPANISH 25, which must be taken for a letter grade.

Honors Program

Students are eligible to do honors work within the Department of Spanish & Portuguese if they have completed at least two semesters of work at Berkeley with an overall grade point average of 3.3 and a grade point average of at least 3.6 in those courses taken within the major. Students must complete two honors courses, H195A (1.5 units) and H195B (1.5 units), in two successive semesters and will write a thesis under the supervision of an appropriate departmental faculty member over the course of two successive semesters. A letter grade, reflecting progress, will be given after the first semester. H195A/B will not count toward the required upper-division work in the major. Before the semester in which the student intends to begin the Honors program, they should speak with the staff Undergraduate Adviser to verify eligibility for honors work and to discuss the process.

Minor Program

The Department offers a minor in Luso-Brazilian Language and Literature. For further information on minor requirements, please see the Minor Requirements tab on this page.

No formal declaration of enrollment in the minor program is required. Upon completion of the program, however, students must file with the undergraduate adviser of the Department the Petition for Confirmation of the Minor Completion form (<http://ls-advise.berkeley.edu/fp/00minor.pdf>). For further information on declaring the minor, please see the Department's website. (<http://spanish-portuguese.berkeley.edu/undergraduate/the-minor>)

Requirements

PORTUG 11 Elementary Portuguese
& PORTUG 12 and Elementary Portuguese

PORTUG 101A Portuguese for Advanced Students
& PORTUG 101 and Readings in Portuguese

Upper-division

Undergraduate students in the College of Letters and Science must fulfill the following requirements in addition to those required by their major program.

For detailed lists of courses that fulfill college requirements, please see the College of Letters and Sciences (<http://guide.berkeley.edu/archive/2014-15/undergraduate/colleges-schools/letters-science>) page in this bulletin.

Entry Level Writing

All students who will enter the University of California as freshmen must demonstrate their command of the English language by fulfilling the Entry Level Writing Requirement. Fulfillment of this requirement is also a

prerequisite to enrollment in all reading and composition courses at UC Berkeley.

American History and American Institutions

The American History and Institutions requirements are based on the principle that a U.S. resident graduated from an American university should have an understanding of the history and governmental institutions of the United States.

American Cultures

American Cultures is the one requirement that all undergraduate students at Cal need to take and pass in order to graduate. The requirement offers an exciting intellectual environment centered on the study of race, ethnicity and culture of the United States. AC courses offer students opportunities to be part of research-led, highly accomplished teaching environments, grappling with the complexity of American Culture.

Quantitative Reasoning

The Quantitative Reasoning requirement is designed to ensure that students graduate with basic understanding and competency in math, statistics, or computer science. The requirement may be satisfied by exam or by taking an approved course.

Foreign Language

The Foreign Language requirement may be satisfied by demonstrating proficiency in reading comprehension, writing, and conversation in a foreign language equivalent to the second semester college level, either by passing an exam or by completing approved course work.

Reading and Composition

In order to provide a solid foundation in reading, writing and critical thinking the College requires two semesters of lower division work in composition. Students must complete a first-level reading and composition course by the end of their second semester and a second-level course by the end of their fourth semester.

Breadth Requirements

The undergraduate breadth requirements provide Berkeley students with a rich and varied educational experience outside of their major program. As the foundation of a liberal arts education, breadth courses give students a view into the intellectual life of the University while introducing them to a multitude of perspectives and approaches to research and scholarship. Engaging students in new disciplines and with peers from other majors, the breadth experience strengthens interdisciplinary connections and context that prepares Berkeley graduates to understand and solve the complex issues of their day.

Unit Requirements

- 120 total units, including at least 60 L&S units
- Of the 120 units, 36 must be upper division units
- Of the 36 upper division units, 6 must be taken in courses offered outside your major department

Residence Requirements

For units to be considered in "residence," you must be registered in courses on the Berkeley campus as a student in the College of Letters and Science. Most students automatically fulfill the residence requirement

by attending classes here for four years. In general, there is no need to be concerned about this requirement, unless you go abroad for a semester or year or want to take courses at another institution or through University Extension during your senior year. In these cases, you should make an appointment to see an adviser to determine how you can meet the Senior Residence Requirement.

Note: Courses taken through UC Extension do not count toward residence.

Senior Residence Requirement

After you become a senior (with 90 semester units earned toward your B.A. degree), you must complete at least 24 of the remaining 30 units in residence in at least two semesters. To count as residence, a semester must consist of at least 6 passed units. Intercampus Visitor, EAP, and UC Berkeley-Washington Program (UCDC) units are excluded.

You may use a Berkeley summer session to satisfy one semester of the Senior Residence Requirement, provided that you successfully complete 6 units of course work in the Summer Session and that you have been enrolled previously in the College.

Modified Senior Residence Requirement

Participants in the UC Education Abroad Program (EAP) or the UC Berkeley-Washington Program (UCDC) may meet a Modified Senior Residence Requirement by completing 24 (excluding EAP) of their final 60 semester units in residence. At least 12 of these 24 units must be completed after you have completed 90 units.

Upper Division Residence Requirement

You must complete in residence a minimum of 18 units of upper division courses (excluding EAP units), 12 of which must satisfy the requirements for your major.

Below is one Sample Plan of Study for students in this major. Students are encouraged to plan their course of study with their adviser based on their interests and career goals.

Study Abroad

There are several options for studying abroad in a Spanish speaking country with program options that are suitable for students who have no Spanish language background as well as opportunities for those who are fully fluent. The UC Education Abroad Program (UCEAP) offers summer, semester and classic full academic year immersion programs. Students with existing language ability may pursue their major studies at some of the most prestigious institutions in Spain and Latin America.

Spanish majors must complete 12 units of upper division coursework within the Department here at Berkeley and can transfer in the remaining approved courses from abroad.

The UCEAP office on campus is in 160 Stephens Hall. More information can be found on their website (<http://eap.ucop.edu>) .

Prizes and Awards

The **John K. Walsh Undergraduate \$500.00 Scholarship** is awarded to Spanish and Portuguese majors to recognize academic achievement and alleviate the financial burden of education for outstanding undergraduate majors.
