

# Health and Medical Sciences

---

## Overview

The JMP is a five-year graduate/medical degree program. The pre-clerkship years are spent at UC Berkeley, engaging in a leading-edge integrated Problem-Based Learning medical curriculum while simultaneously earning a master's degree (MS) in the Health and Medical Sciences at UC Berkeley's School of Public Health. After two and a half years, our students move across the bay to UCSF to finish their medical education and receive their medical doctorate (MD).

## Undergraduate Program

There is no undergraduate program in Health and Medical Sciences. However, Pre-Med/Pre-Health (<http://guide.berkeley.edu/archive/2022-23/undergraduate/degree-programs/premed/>) is a pre-professional path that students choose when preparing for a career in graduate-level health professions.
